

Welcome!

If you are reading this letter, you have made the wise decision to protect and improve your health by drinking MonaVie on a daily basis. You have also joined a team of people who, like yourself, value their good health and resources. The particular team you have joined has an earned reputation within the company for generously blessing others in need and supporting each other on the team.

You may have enrolled as an Independent Distributor only to purchase MonaVie at a discount. In that case, consider your enrollment as you would consider a membership at a wholesale club. Your membership (\$39 enrollment fee) entitles you to unlimited purchases, but does not require anything from you. You will never be pressured to spend money, drink juice, or build a business. If you have any questions about the company, product, or policies visit www.monavie.com We will provide you with regular team updates and information. Please let us know if you do not wish to receive these e-mails and we will remove you from our contact list.

Maybe you are willing to be optimistic and open-minded about the possibility of a business, but you are mainly hoping to be able to drink for free. It can be a leap of faith to make an investment toward your well-being. In our home, wellness receives a much higher value than our entertainment budget or clothing budget. The encouraging news is that MonaVie provides the unique opportunity to pay you for treating yourself well. As long as you share MonaVie with at least two individuals who, like you, purchase at least one case per month, you will be qualified to begin making money. How much you make depends on you and those you sponsor. We would be happy to meet with you at any time to share how you can make your juice pay for itself. Check out the Team resources at www.zealtoheal.com

Last, but not least, you may be a person who recognizes this amazing once in a lifetime opportunity to be part of an amazing company (reinvented compensation possibilities for mlm's, tremendous growth, heart for giving) with an amazing product (consumable, no competition, free endorsements, scientifically and medically-supported, amazing benefits for all) at an amazing time (joining early, unchartered regions, history-making, 300 millionaires in 2007). The sky is your limit but it does take time, energy, and money to reach the sky. With MonaVie you will be repaid well for your invested time, energy, and money. Check out the training resources at www.zealtoheal.com and please let us know how we can help support you in reaching your goals!
